## A PARTNERSHIP THAT MAKES SENSE

As an established leader in online learning, KnowledgeCity is committed to driving business through partners who are carefully selected for long-term business profitability and growth. KnowledgeCity's innovative products and services will ensure a competitive advantage. Together, we provide eLearning solutions that will deepen your market penetration, increase your revenue stream, and provide the foundations for future growth.

## THE KNOWLEDGECITY CONCEPT

We support partners to create a win-win achievement of success. We improve business for our partners by providing high quality eLearning solutions that are continually evolving and customizable to meet customer needs. Our Channel Partners are able to extend their reach into additional geographies, markets and customers and cover the territory in all aspects of the business. We are committed to the success of our partners and operate through joint strategic planning, integrity, and collaboration.

## WHAT MAKES KNOWLEDGECITY'S CHANNEL PARTNER PROGRAM A SUCCESS?

KnowledgeCity offers you assistance in designing, implementing and continually enhancing the eLearning solutions you offer. Our primary objective is to develop a program that enables you to successfully sell KnowledgeCity products and services. We are ready to provide the necessary guidance, resources, training and support you need. We assist you in turning market challenges into new opportunities by offering innovative and complete online training solutions.
